

Explanation for Reference and Use

- ① The *gaisho* (books on Japan in non-Japanese languages) are arranged in accordance to the year of publication. All visual and illustrative material contained in these are presented in the order they appear in the book.
- ② Each *gaisho* is entered under a separate heading. All illustrations contained in separate editions of the *gaisho* are entered, even if the same illustrations are used in other editions.
- ③ Titles are organized in the following way.

Year of Publication

	<p style="font-size: 1.2em; font-weight: bold;">Original Title</p> <p>Author</p> <p>Title in Japanese</p> <p>Author's Name in Japanese Transcription</p>
<p>Title Page</p>	<p>Nichibunken Registration Number</p>

- ④ The illustrations are accompanied with the original captions and Japanese translations. If no caption appears in the original a Japanese explanation is provided within []. Examples below.

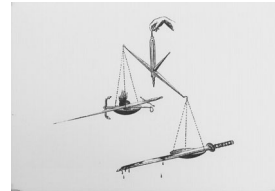

The village beauty
村の美人

Original caption and
Japanese translation

Female costume
女の服装[花魁道中]

Japanese explanations where no original caption appears.

[天秤にかけられたサーベルと
日本刀]
